## [Top Album of The Decade 2000-2010](#)

[SleepWalKing](#)

Top album of the decade: a DJ a know made this cleaver radio that “New Year’sCharts” is indeed the top result once googled the word “Panic”. It was really useful for n life to make one for SleepWalKing Mag, since I was ready to show it anyone asking me for that like year’s char new Christmas Card to exchange with greetings and gift once you meet some web friend. I actually felt so good caught out of the blue... that I even decided to gather in one post the most significant albums of my new life as listeners.
